Acknowledgement Form

I have read the Student Nurse Position Description.

I have also read the Student Nurse (Faculty Led Group) Specific Tasks. I understand that this standard list is generalized for my role and that there may be variations based on patient, staff and unit needs.

My signature indicates that I am able to meet the functional demands of the job.

My signature indicates that I understand and will practice within the Student Scope of Practice for Student Nurse.

Student Name: _____ S#: _____

Student Signature: _____ Date: _____

Faculty Name: _____ S#: _____

Faculty Signature: _____ Date: _____

College/University: _____

Semester/Year: _____

Check here if you are not in a faculty led clinical group. By checking this box and signing on the above lines indicates that you have read the documents listed, but understand that the scope may vary due to the nature of being directly supervised by an RN preceptor at all times.
