#### To calculate your dues:

In StudentLink, search for the Active/Approved Group, Preceptor, Leadership and Capstone experiences for the previous calendar year. Export to Excel then use the Sum ( $\Sigma$ ) function to total the 'Num' column. Use this experience total to find your tier in the above scale.

#### Membership Dues Scale Calculation Notes

- Dues are calculated via approved and active placements from the previous calendar year.
- Schools are emailed a report listing their experiences for the previous calendar year every November (4 weeks prior to dues calculation). This allows them an opportunity to submit edits to reflect actual activity.
- Systems and schools that have more than one location are consolidated when determining experience levels.
- Notice of membership dues amounts (based on the previous calendar year) are distributed in January, five months prior to the invoice due date.
- Membership dues are invoiced every July 1<sup>st</sup> by the Winona State University (WSU) business offices.
- Members may submit an appeal of their membership dues amount within 60 days of receiving their January notice of dues.
- Membership dues tiers and annual rates (the table to the left) are set for a three (3) year period. Every 3<sup>rd</sup> year TCCP pre-licensure members will convene to re-evaluate and implement changes (last: 10/4/18)
