

Parking Information for Students and Faculty – September 2020

Students and faculty coming to North Memorial Health Hospital for clinical experience will be charged for parking. To receive a discount on parking (\$2.00/day), bring your parking ticket and student or faculty ID to the Information Desk on the Plaza Level of the Hospital. The Information Desk will validate your parking ticket so you receive a discount.

Information Desk Hours for Validation of Parking Tickets:

Monday – Sunday (every day)

6:00 a.m. – 8:30 p.m. - Information Desk is consistently staffed

8:30 p.m. – 6:00 a.m. – Security Officers staff the Information Desk, however, may be called away to deal with security matters. If a Security Officer is not at the Information Desk, go to the Safety & Security Office, Plaza Level, for validation of the parking ticket.

Where to Park:

Students and faculty should park in the **P2 Robbinsdale Medical Building ramp** across the street from the Hospital on the **4th, 5th or 6th floor**.

There is no cost to park in the lot at the North Memorial Health Specialty Center located at the Terrace Mall, west of Highway 81/Bottineau Blvd. Limited parking is available and there is no longer a shuttle bus available from that location so students/faculty must walk up the hill to the hospital. **DO NOT** park in spaces designated for North Memorial patients/customers. See attached maps. **Signs stating “customer” parking indicate parking spaces that are for patients only.**

Entering North Memorial Health Hospital During COVID19

On the first day of the clinical experience, students must enter the hospital at the main entrance (door is at the curved glass front of the hospital). From the P2 ramp, you will need to cross the street (Oakdale Avenue), turn right, and follow the sidewalk down the hill to the main entrance. Once you have been issued a North Memorial Student ID Badge you will be able to enter the hospital through the tunnel that connects the hospital to the Robbinsdale Medical Building and P2 ramp.

NOTE: North Memorial student ID badges will be coded to allow entrance through the tunnel.

Entering North Memorial Health Hospital from the P2 ramp:

A tunnel connects the Robbinsdale Medical Building to North Memorial Health Hospital. Take the P2 ramp elevator to the lower level. Enter the tunnel and proceed to the hospital. Upon entering the hospital you will be on the Plaza level. The West (main hospital) elevator is straight ahead to your left. Turn right in the first hallway to go to the Atrium elevator.

The door to enter the tunnel is locked between the hours of 5:00 p.m. and 8:00 a.m. During these hours, students can enter the tunnel by swiping their North Memorial student ID badge in the badge reader on the wall to the right of the door.

Safety

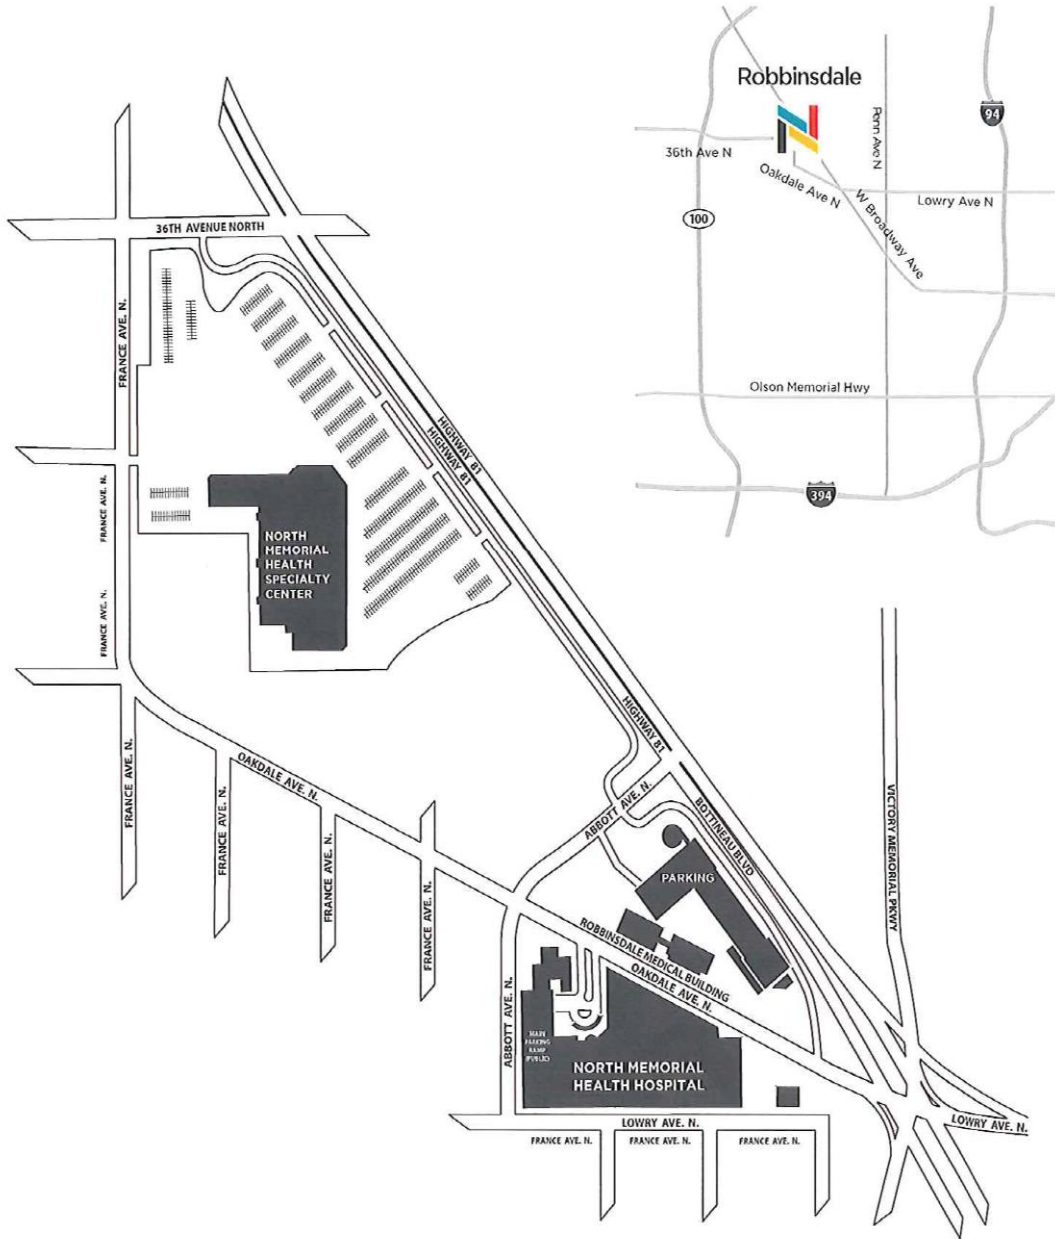

There are emergency buttons located in the P2 ramp to obtain assistance in an emergency.

Safety and Security officers are on-duty 24-hours daily and are available to escort students or faculty to the P2 ramp, if requested.

*****Students or faculty who do not purchase a discount parking pass will pay the normal hourly rate**
